

Mechanic position available

Taney Service Center is growing. We need another technician. Looking for general mechanical experience with all makes and models. ASE Certification is required. We offer competitive pay and have a health insurance plan available. Shop is clean, air conditioned during the hot months and warm during the cold winter months. We work on cars and light/med duty trucks. We work on certain types of equipment and small engines. Must be proficient in English and able to read service manuals. Please contact Erich at 410-756-9256 to set up interview. Resumes will also be accepted by mail or drop off for review. This is a great opportunity for someone looking for a better place to work. We are family owned and have been a part of Taneytown since 2004.

Taney Service Center

94 York Street
